

HARVESTERS IN CHRIST

Our Collaborative Vision

To plant, cultivate and harvest fruitful encounters with the real presence of Jesus Christ.

Our Collaborative Purpose

The Lord is not in the wind, or the earthquake, or the fire. (1Kings 19:11-13) The quiet presence of the Lord is always with us and He communicates in silence, in His Word, and in His Eucharistic sharing of Himself. The Cranberry Catholic Collaborative celebrates the ever-lovely presence of the Lord and seeks to infuse its joy into the greater gathering of the parishes of our collaborative so that the Real Presence of Jesus is more vividly and genuinely experienced. In the new evangelization we are not formulating a new mission – we are still following in the footsteps of our Lord who has gone ahead (Mark 16:7, Matthew 28:7) yet is also with us until the end of the ages. (Matthew 28:19-20)

The collaborative uses the strength and vitality of our Catholic faith to encourage, invigorate and sustain; so that those committed at the time of their Baptism, those seeking reaffirmation, those entering anew find a united community dedicated at its core and in its actions to the teachings of Jesus Christ.

HARVESTERS IN CHRIST

Our Collaborative Values

JOY: Jesus came to bring us joy and that our joy may be complete. Through the love of Christ we are becoming beacons of joy and light. God's love offers healing and hope to all persons who sit in darkness and death's shadow. (Luke 1:78-79) The light of Christ invites us to approach his mercy so that we might share in the completeness of his joy. (John 15:11) The churches of our collaborative offer a respectful and hospitable home where we deepen our reverence for God's actions in our lives and we grow in love for one another.

- A. We joyfully celebrate God's friendship and mercy through participation in the Sacrament of Reconciliation, service to others, and involvement in parish and collaborative activities and ministries.
- B. "How good to celebrate our God in song; how sweet to give fitting praise." Psalm 147:1 We elevate the integral role of music in our Masses and other celebrations and encourage full and heartfelt singing at all the observances throughout the Cranberry Collaborative.

RESPECT: As we join our three faith communities to create a unified Cranberry Catholic Collaborative, we are mindful that we will flourish best in an environment where respect and trust has been established. (1 Peter 2:17) Each community brings to the collaboration its traditions and unique perspective and through the sharing of our experiences we will grow stronger and more vibrant in our faith. (Romans 12:6)

- A. The Collaborative Leadership Team, Parish Finance Councils and Collaborative Pastoral Council dedicate their efforts to ensure that the needs and concerns of each church of the Collaborative are equally addressed.
- B. We encourage one another to celebrate our faith by attending Mass and other services in all the churches of the Collaborative.

FELLOWSHIP & HOSPITALITY: We will open wide our doors, our hearts and our minds to all those who cross our path. Through word, sacrament and service we will actively inform those interested in knowing more by growing in fellowship with each other. We extend our hands, voices, and hearts to all people to encourage others to seek the face and the friendship of God, in a missionary spirit of charity, in the light of Christ. (John 13:34-35, Matthew 28:19)

- A. We exchange greetings and initiate conversations when encountering others.
- B. We build up the Body of Christ by avoiding and resisting opportunities to gossip or disparage others
- C. We are resolved to approach interpersonal situations, particularly misunderstandings, with kindness and patience - not judgment

HARVESTERS IN CHRIST

Our Collaborative Priorities for 2016-2018

Over the next three years, the priests, deacons and lay staff and parishioners of the Cranberry Catholic Collaborative will focus on the following three pastoral priorities and associated goals in order to enliven the vision of Disciples in Mission and foster the New Pentecost in our local church.

PRIORITY: CREATING JOYFUL OPPORTUNITIES TO ENCOUNTER CHRIST

The Cranberry Catholic Collaborative recognizes true joy is found in Christ-centered encounters. Personal encounters with the living Christ, through Word, Sacrament, prayer and community are sources of holy joy. We will celebrate our joy by demonstrating to others our commitment to Christ through our actions and words with the greater community at large.
